“ *My prayers and condolences to the Lord family. I worked with George at QSE in Watseka many years ago. He was a joy and delight to work with and never had a bad thing to say about anyone. He always had a smile and a cat-eating grin on his face.*

“ *Beloved Uncle George - my childhood memories are full of your fun-loving spirit and merciless teasing. And oh how you loved to surprise us; showing up unexpectedly...what a thrill to open the door and find...UNCLE GEORGE standing there smiling. One of my favorite memories.....we were snowed in after a blizzard. Uncle George drove down to Chebanse after dark, parked at the Texaco gas station and trudged cross country thru the drifts to our house with Sissy, the stiff-legged dog. Imagine our shock....and delight.....when we threw open the front door and found the abominable Uncle George.*

*Miss you already - Tina Kay*
