“ I was very sorry to hear of Alan's passing today. He and my Mom were briefly married a very long time ago and though he was only a Stepfather for a short time he always treated me so very well so I can only imagine what a fantastic Father he was. His children and family have my deepest condolences. May he rest in peace.

“ What a very nice man and I'm very sorry to hear of his passing. Always was there to help his loyal customers at his shoe store and making sure they were respected and taken care of. I will always have fond memories of the way he always thought of taking care of others first. May he be in a better place.
