“ Georgia was a good friend to my aunt, Marge Vaughn, and to my mother. I got to know her well over the years, usually while visiting her at her latest new house. She had a gentle and sweet way about her, and a funny sense of humor. We will miss her.

*My condolences to her family.*

“ Grandma,  
You will be missed more than words can express, you have taught us all so much from making bread in the bread maker, to having a good catholic faith. Now that you are in peace you will not suffer any more and that is what we are so grateful for!!! Knowing you are up there watching over all of us is what brings us comfort!!! Love you always

“ Georgia has been one of my dearest friends since we met in high school in the 1940's. My heart is sad beyond words today at her passing. She and Dick have had a loving marriage and raised a wonderful family. We did some crazy things in the early years and always laughed alot. I will forever miss her and I'm sure she knows that.
