“Gerry will forever be known to me fondly as “Murph” or “Grandpa Murph”. I was lucky enough to have met him at the Veterans Home, where I would soon connect the dots that he taught my dad to weld many years back at CBI!! He greeted me every morning with a smile and a hug and made my job more enjoyable, as I always stopped by his room for conversations and an Oreo cookie!!! Many prayers for his family. He definitely left an impact on me that won't be forgotten.

“Gerry was a person who was there to help out, offer support, and displayed a positive attitude. He was a way better golfer than me, but I always enjoyed being around him during an outing. He's one of the guys you seem to remember long after fate (and CBI) has sent you down different paths. Sincere condolences to Gerry's family.
