“ I met Jigs at the Perry Farm years ago when the visiting Wall That Heals was there. Ashley and Rob were with me. We were waiting to go up in the hot air balloon. That's where we met Jigs. We started taking only to realize we were both O'Connors. Rose Marie was perfectly content to stay on the ground when Jigs, the kids, and I went up in the balloon together. From that moment on the connection was made and embraced. We would visit the nursing home often when Rose Marie was there. Ashley would even play her violin for her and the others. We'd visit Jigs at home from time to time. He was always at the nursing home with his dear Rose. I've never since seen such love and devotion. A true gentleman. He was always quick with a smile and ready for a hug. I'm so glad for all the many years we shared companionship and love and he will truly be missed. My hugs and prayers for Roseanne, Bill, and family. My life is better because he was in it.

“ My name is Laurie. I work at the nursing home. I met Jiggs when he was visiting his brother Alex at the dinning table. He asked where I was from and from that day forward we became very good friends. I have since met his daughter and son-in-law and also his son. Jiggs has wonderful children. I LOVED my buddy Jiggs, He always made me feel very special. He always had a smile on his beautiful face. He was always very glad to see me and we use to talk about his high school buddy (my Uncle Bob) together. I will Miss my Friend for a long, long time. All my Sympathy to his loved ones.
