“ Marilyn:

Blake just sent the obituary this morning.
You have been such a wonderful caregiver.
Not many people would be able to take care of their loved one the way you did.
I have a lot of fond memories of when we were in school, especially when we would travel back and forth to Eastern.
Lots of water under the bridge since those days.
Gerry was an outstanding teacher and a man to be admired.
Our love and prayers are with you.

“ I am sorry that I was not able to make the wake today due to personal matters but I wanted you to know how much my children who had Jerry as a teacher respected him. He served BBCHS so well over the years and was looked up to. Both Marilyn and Jerry had many difficult past years but Marilyn you should be happy that you made him comfortable at home with you even though it was some sacrifice on your part. May he rest in peace.##imported-begin##Lois Minerick##imported-end##
