“ I know that you are in a far better place. Your strength during the last few years were a awe inspiring. you always had a smile; you always took time to talk with friends and even strangers. I hope that you are taking your walks once again. Norma Voss

“ Prior to moving to Florida I used to have breakfast every day at Yanni's Restaurant in Manteno. Your mom, along with all the other "church ladies" came in and we always enjoyed visiting with them, including your mom. She always had one piece of toast, cut it in half or fourths and I think put peanut butter or jelly on it. I teased her "how could a person only eat one piece of toast". We had a good time - always enjoyed her. Know she had a condo in Fort Myers and had talked to her once in awhile while she was down here. Know you will miss her as many people will. My sympathies to your family. Sue Hoskins, Punta Gorda, Fl.

“ I always thought so much of your mother. When we were young and we would come over for supper she use to hand mother the vegetables to clean. I do not remember the dinners so much but I do remember the fun we all had. After Paul died on those rare occasions when we were together, her piercing blue eyes would look at me and I know she was thinking of Paul. I will only be with you in prayer Tuesday. I would love to fly out but can simply not make the trip at this time. Much Love to all of you. Barb##imported-begin##Barbara A. (Langlois) Jennings##imported-end##
