“ Don and Family- Your mother was a wonderful woman with a big heart. She will be missed, especially by her grandchildren. You guys are all in my thoughts and prayers. She is home now, and all those words you never said- she knows what they are now, and she understands.

*I have know Gerarda since 1946 and she was like a sister to me. I lost  
contact with her for awhile and just found her again about 2 years ago.  
I have now lost her again. I know she is in a better place with God in  
Heaven with no more aches and pains. I will mis her deeply and she  
will be in my prayers.*
