“ I am just reading about my friend Gina... I used to just absolutely adore working with her. Way back in the 80s & 90s. We had so much fun...at work after work & when we could miss work! This just made my heart beat. My smile turned into a frown in my heart is wondering how all of her loved ones are doing especially Mike, whom is also a great friend of mine for many years... My thoughts will always have a smile an a shake of the my head when I think of all the shenanigans we were involved in! Oh man but great times we shared together... Heaven has become a better place, but the Earth sure will miss pretty lady just like so many loved ones & friends...such a loss 🙏 Love sent....Julie

“ I worked with Gina at the Red Cross..some days we would be driving home from a long blood drive and we were so tired that we would just laugh at the silliest things. We laughed until we cried. I'll always remember her laugh. She was my friend and I loved her. I'm sure gonna miss you and your laugh. You'll always be "G" to me

“ I was a flower girl in my Uncle Joe and Aunt Linda’s wedding, and I was five years old when Gina was born. She was like a little doll. So much of my childhood is wrapped around memories of our family time together at my grandparent’s home. To me, she will always be Gina Louise Armenise, a beloved first cousin who also held a very special place in the heart of my parents, her Uncle Jack and Aunt “Mella” as she always called them. We grew up and grew apart with our own lives, but reconnected as friends in later years. She was amazing...gardening, canning her own vegetables, hosting family parties at her home that brought us all back together. Above all, Gina was genuine. She had a heart of gold.
It is with great sadness that I’m not able to be there with you this Tuesday, to share a favorite memory, hug you all, cry with you.
My love and prayers,
Julie

“ Aunt Linda, Uncle Joe,
Zowey, Sydney, Joey, Kelly, Stacey , Brad , Mike
and Family,

Sorry for your loss, you and the family are in
our thoughts and prayers. Gina went to St
Joseph Grade School with me when we were younger. She was so
pretty, smart , funny and full of sass. Then I married her cousin Brian
Zasada, Sr. So we went from friends to family. She was all about the
family and was very proud of Sydney and Zowey. Remember she is
always with you in your heart. She is your guardian angel. Rest in
Peace Gina, it's not Good Bye, it's see you later. Love you!
