“ My condolences to Carl and the rest of the Brambrink family. I remember Gisele and Walter from the parties they attended at my parent's home many years ago.

“ Gisele was a wonderful person I rent from her, she took pride in her property. It wasn't nothing for her to be up early in the yard spraying weed killer on the weed. She made you think the property belong to you, and that she helping you out. I'm disabled the steps were difficult for me to step up, she had a concrete ramp installed to accommodate me. Just a few things she had done to make feel so proud to rent for her. I'm going to miss you Gisele, may you rest safely in the Arms of the Almighty God
