“ Danny, you & you mom & dad were great neighbors. (even when the cat pooped babies in Dicks Mustang) Your dad was right there to fix things. :) Terra took care of him & said he was a real sweetheart. We have great memories of the "HALL" family across the alley! You have our deepest sympathy & love.

“ Glenn was a loyal and devoted volunteer of the American Red Cross Blood Services, even after his wife passed. During his lifetime, he had donated almost 30 gallons of his own blood to help save the lives of hundreds of others! He made awesome hand-made American Red Cross decorations and donated Red Cross memorabilia to the Chapter. He was an absolute joy to talk to, and greeted blood donors twice a month, every month. We will miss his smile and his stories, but will always have his memory in our hearts.

“ Glenn was a wonderful, kind, and thoughtful person! When I worked at Miller I had pleasure of being his nurse! I have alot of memories with him and will always remember what he ate for breakfast! I could fill this wall with alot of stories he told me or conversations we had. He use to keep sausage or fried shrimp wrapped in a napkin in his dresser drawer for Duke. We both loved that dog alot and missed him when he passed. Sorry for the loss of a wonderful person!
