“ Gloria was a fierce advocate, a tireless worker and a loyal friend. If she was on your side, you knew you were doing it right. Under that tough as nails exterior, she was a softie...I learned much from her, thought highly of her and will miss her. My condolences Rick.

“ It was truly a pleasure to work with Gloria at DCFS. There is no one or will there ever be anyone quite like her. She was a huge force in keeping the office going. She'd give me some grief on occasion but it always in good fun. Gloria will be missed. Sincere sympathy and condolences to Rick.

Gloria was a great friend and union leader. She was there for me when I needed her the most. We would leave Christmas Angel's to one another during the season without a gift card but knowing in our hearts who left the love gift. Praying for you Rick.

Gloria and I worked together for many years and she was great at figuring out what needed to be done to keep things in order and organized. We shared a love for animals and our cats. I will certainly send a donation to the ASPCA in her memory. My sympathy to Rick.

Gloria and I worked together at IDCFS for several years. She held the Kankakee office together. She was extremely helpful when I visited the Kankakee office. Gloria assisted me when I started as a union steward. She was very knowledgeable pertaining to union matters and served in numerous capacities within the local including local president. She was a tireless worker and will be greatly missed.
