“ Grandma, what can I say... you have suffered alot and God finally took you home. The past few days I have been thinking of all the memories we have shared. You always were there for me threw the hardest times. You never doubted me or looked down on me for any of the mistakes I've made. You gave me a home on several occasions and you spoiled me rotten (with grandpa of course.) There is so much more I could say about my loving grandmother. My children will ALWAYS know how much of a classy & nurturing ladie their great grandmother was. I love you so much and I will miss you. I will see you again one day... til then!###imported-begin##Renee Kennedy##imported-end##
