“ My 1st memory of Gloria. I was over at the house with her daughter Deb. I came out of the bathroom and there Gloria putting on her pants in the kitchen.. I didn't know what to think. Deb say it's because the kitchen was warmer the the bedroom. LOL. Then I got to know her at Church. She is a very special lady.
Thank you Gloria for taking good care of are dogs when we went away.
We had them at the Bradley Animal Hosp. You took extra care of them for us.
We love you and you will be missed.

“ We were blessed to have Gloria as a friend and employee at Bradley Animal Hospital. She was one of the hardest workers we ever had. She made sure everything was spotless. She was so good with animals. She loved all animals and would do anything for them.. She worked at our clinic for almost 50 years. Gloria was very special and will always live in our hearts. God Bless. Dr. Debbie Wagner

“ A favorite memory of Gloria is her singing with her brother Ron and sister Joann at Calvary Bible Church at our singsperations after the evening service. I am glad this trio is united in heaven and singing together for the Lord.
