“ *Glo, Glo, Glo! Never at a loss for words, usually very colorful and earthy words. A heart of gold. A natural drama to her actions. A sweetheart who would kick your "cula".  
May you and Linda burn one in heaven. We have lost another honest and sincere voice.*

“ *Dear Kim: I received this sad news from Patty Hunter yesterday and words cannot express the feelings I am having at this loss to you. Your mom & I worked together for many years at McCarthy Ford Tractor Sales. I remember you as the cutest toddler and how proud your mom always was of you. My husband and I moved to Bloomington 30 years ago however he passed away 18 years ago but before that your mom and Wes and Margie and Dick came to Bloomington and the six of us enjoyed going out on the gambling boat together. I tried to call her many times in the last year however she never answered the phone or returned calls. I do hope that I never did anything that upset her. She told me she did not like to send Christmas cards, etc. so I never did that.*

*Anyway I will keep you in my prayers and remember that your Mom was loved by very many people.*

*Sincerely - Joan Mowrey*

“ These memories are from my 90 year old mother Gloria's Cousin Theresa Kryznowski Stanek who when Reg Gloria's mother needed to get some work done at home would call my mother's mother Laura Kryznowski her husband's Edward sister to have Theresa come over to walk Gloria in a buggy outside in the nice weather. My mother lives in Naples FL.

*This memory is from me Jan Stanek Merriweather who when I was 13 my second cousin Gloria would babysit me, and my sister Nancy, and baby brother Gary. I now live in Tampa Florida. I remember how cool I thought my older cousin Gloria was and was always so excited when she babysat me 😊. I also remember going to her and Wesley's wedding.*

*Our condolences go out to the family. I am positive they are both smiling down on us and happy in heaven.*

“ I have known Glo and Wes for a little over a year. My mother was a resident at Riverside, where Wes lived, and Glo visited daily. I have never met such a devoted couple. Glo looked out for all the residents, and she made me feel so very loved. I am so very sorry for your loss. I loved her like she was my own family. I am sure she is in heaven with Wes. She is an angel.

“ I've known Glo for over 70 years. We renewed our friendship when our teenagers joined The Royal Grenadiers Drum & Bugle Corps. We did a lot of traveling with the drum corps. I have many special memories of our time together with our DC8 group. Glo and Wes were such a fun loving couple. We'll miss them.
