“ Grandma:

My first memory of you is when i was 3 and mom would bring me by after gymnastics practice, you always had oatmeal & raisin cookies which, of course, i thought were special just for me. Throughout the years i grew to completely admire you, you were always such a classy woman to me. The way you dressed, the way you walked & talked i only dreamed i could i½be half the woman you are.

Just knowing your in heaven with grandpa, i½makes me feel at peace... love you grandma.##imported-begin##Davida Gifford (Watson)##imported-end##

“ Sharon,

 ĩ½Please know that you are in my thoughts at this time of sorrow for you.

I never knew your Mother, but know that she meant a lot to all of you.

 ĩ½Please let Shirley, and Sheila. and Joe know that I barely remember them, but also would like to let them know that I offer my sympathy to them also.

 ĩ½A parent is someone to cherish as they are not replaceable.....

 ĩ½May God watch over yours.....
