“ Grace was a very special person as was her first husband - Bob Hart. I met Bob first and later in life she met my dad & I knew her as his wife & my step-mom. Grace remembered everything in life & including somethings I wished I could forget but she never held my faults against me. She was my dads best friend & took very good care of him in his last years of life. I truly appreciated and loved her for that. I tried to include his name in cards, flowers etc., after he passed, that I knew he would have sent to her. She will be missed but she will always live forever in our hearts/souls. Take care Grace - make sure Ray smiles - I know he is waiting for you along with Bob. Chuck, Karon & Pat Snyder
