“ Grandma Styck's life helped us to know and love family, and the basic simple things in life. ¶½We always had a great time getting together on Sundays with our cousins. ¶½We had fun with no toys, no TV, and no electricity. ¶½Grandma was always there and enjoyed having company. ¶½As children we were allowed to bond and form family ties that will last our entire lives. ¶½Even though she lived 112 years, she was such a good person we will miss her, for we weren't even sick of her yet. ¶½Love, Vickie and Linda.##imported-begin##Linda Rink, Vickie Brinkman##imported-end##

“ I will always remember my Aunt Grace. When I was a child I looked forward with great anticipation to my visits to Uncle George's farm. Upon arrival the first thing I did was to walk down to the river to see Aunt Grace. We would talk and catch up on all the news about the farm. I also have fond memories of Uncle Pete letting me drive the tractor while towing a wagon. In later years my mom Mildred and I would visit Aunt Grace and everyone who could would come and have a great time talking about the old days. ¶½##imported-begin##Thomas Neilon##imported-end##
