“ This is truly unbelievable news and I am overwhelmed with sadness. Please accept our (including My Dad, Gilbert Cahan) deepest sympathy and know that we are thinking of you and sending you our love. ĩ½Even though we have lived far apart for most of our adult lives, I still feel a closeness to family just because we are family and that means so much to me. It is never easy to say good-bye to someone we love so dearly and our hearts go out to you. ĩ½Please know that our thoughts & prayers are with all of you. Sending you love & hugs,

“ I am shocked and saddened to hear about Gregg's passing. I last saw him in Kankakee in May of 2001. We always seemed to be able to talk to each other easily, even though we didn't grow up very close to each other. I'll never forget the summer when Ed (cousin) and Gregg came out to Maryland to spend some time with our family. Mom (Jeannine LaRocque Haarer) made Gregg a birthday cake, and Ed got a "good luck in the Army" cake, and we all had a good time together. JoLynn, Sandy, and Len, my heart goes out to you. I wish I could have been there to attend the funeral, and honor Gregg's memory. I'll remember him always. Nancy (Haarer) Smith###imported-end##

“ I was very saddened to hear about Gregg's untimely death. I remember and cherish all the sundays we cousins spent together at 'the farm' while we were growing up; all the aunts and uncles playing badminton and the cousins running around and playing together. I also remember driving from Maryland to Illinois with Gregg and Ed on my first 'real' vacation from work; rock music blaring all the way, especially Deep Purple. I'll never forget the way Gregg or Ed would say 'here, you steer for a minute' as i sat in the middle of the front seat! Lots of happy times that all of us got to have together. I will always remember his smile and it's hint of orneriness! My thoughts and prayers are with all of you, his entire family, at this time. I pray you support and value each other and the importance you've held in each other's lives. Keep his memory alive in your heart and his smile in your mind's eye. We will all miss you, Gregg.
