“ I really didn't know Greg, but I remember him from high school. I recall he was fairly popular. I am very sorry for the loss suffered by his extended family members.

“ This was sad news to hear. Greg was my first friend in the neighborhood. I loved around the corner from him. We would always get out group together and make to the dock hops in the neighborhood. We had fun. He was a good guy. A diamond, he will be missed.

We had dinner at Athens on Rush, then went to an after party at Kathy Murphy's place. Greg was the master of ceremonies and we had a night to remember. Condolences to Greg's family.

“ *It was always a pleasure to see Greg at family get-togethers. Playing Horseshoes with him was especially fun. Although we didn't see one another often enough, each time was certainly memorable. While those of us family who survive him are feeling his absence, family and friends are here for each other. We are very saddened by his passing, may he rest in peace alongside his mom and dad. Greg will never be forgotten, and forever loved.*

“ *We were very saddened to learn of Greg's passing. He was a wonderful human being and I am proud to be related to him He always had a welcoming smile when we met at family functions and Maria Luisa thought he was especially nice to visit with. Greg was very proud of his family. I got to see Greg through the years when visiting his Mom in the Nursing home. He was devoted to her care. We will miss Greg and his warmth. Greg's memory will always be in our thoughts. God Bless you Greg. Cousin Tom and Maria Luisa Rogers*

“ I am so sorry to hear about Greg.

I met Greg in the late 60's when my brother Tom Kent and his wife Jan moved to a home in Scottsdale right down the street from there Aunt Rainy and Uncle Sil.

I met Greg while visiting with my family and we become friends. We would swim in the Connelly's pool across the street, and "socialize" with the Schiavone's, Zigga's and the Stepics. My brother Mike and I, as well as my Nieces and Nephew Mary Beth, Julie and Steven would always have a blast at the neighborhood block parties. My brother and I still lived in the City of Chicago at the time, so we thought it was so cool that you could block off the streets and play without cars in the way.

Greg and I met again in the mid 70's I met his friends Tomaz and Ken, we would shoot pool and talk for hours.

Several years past and we would see each other at family weddings, funerals and the Walsh Picnic. He talked very highly of his Children, I could tell he was very proud and protective.

I new that Greg had moved away to take care of Rainy, when I heard that she had passed away I went with my family to the Funeral. He introduced me to his family and I knew why he was so very proud of them. The last time I saw Greg was at my brother Tom's funeral.

I enjoyed having Greg as a part of my life, we didn't see each other very often but I can't help feeling that I lost my friend. My heart goes out to the Wiza family, I'm so sorry for your loss.

“ I want to send condolences and love to greg, Lindsey and Brittany. I know this is a very difficult time and words can't heal the pain, but just know there are many people thinking of you at this time and your father is no longer suffering. Love, Chris and Nancy.
