“ I always thought of Bill as such a sincere, honest, intelligent, and loving man. His presence seemed to always brighten up any room he was in. All of my family and everyone i knew that knew Bill always had kind words about him. I always thought of Bill as the tall, handsome uncle with a great smile.

 I know that myself and all that knew Bill will miss him dearly. I was and always will be proud to say that Bill Howard is my uncle.

 God bless Aunt Fran and all the family.

 We love you all.

“ I kissed him goodbye knowing that I would not see him again. I said a prayer for him because i cared. He has touched my heart and I will remember him always. I did all that I know to do to make his journey very peaceful. I celebrate his life now instead of mourning, and remember his love of golf! I remember his kindness, and how much he loved his wife and baby girl!. But the thing I will always remember is how he loved a Big Mac Sandwich. With heartfelt
