“ Whenever I walked through the door at the State Farm office with the day's mail, I knew that if Harlen was behind the glass, there'd be a big smile and some good-hearted "repartee" of some sort. I honestly never saw Harlen in a bad mood. He was also my insurance man and if I had a question or a claim to file he was all business and professional until the task at hand was accomplished. My deepest sympathy to the family, especially to Kathy and Frank.##imported-begin##Dave Harris##imported-end##

“ Throughout the fifteen years I have known Harlen, I have respected his integrity and enjoyed his sense of humor. It was always refreshing to speak with him at the many meetings and activities we attended, but I am especially thankful for the several occasions when I looked to him for advice, particularly when I was a novice agent. I also want to add that during my time as an agent in Bourbonnais I have always heard positive comments about Harlen and his office.

My deepest sympathies to Mary and family.

He will be greatly missed, but not forgotten.##imported-begin##Mike Casey##imported-end##

“ I am so sorry to hear of Harlen's passing. It is rare that you are fortunate enough in your professional career to cross paths with someone of the utmost integrity. That was Harlen. I'm not sure I've met a kinder, more respectful State Farm agent than Harlen. I thank him for providing a perfect example of how to treat your fellow agents, and I'm sure equally so with his clients. Thoughts and prayers to his family, staff, and clients.##imported-begin##Rick Papp##imported-end##
