“ I called her Hattie sometime it was just Hat, I have lots of memories about this lady she was my best friend all in school and years after that. We could set for hours and just laugh about nothing. She was a smart little cookie, She loved life and her family. They always came 1st in life to her . She has no more pain now. She was and is a blessing in our lives. Today we are all sad (I am for sure) but she is rejoicing with her mom now I Love you Hat my friend and always will
