“ We are so sorry to hear of Aunt Hazel's passing. I½I am glad that myself and my wife got to see here on several occasions before she moved to Arkansas, and once after that. I½I will never forget her direct and to-the-point manner, and her wonderful pies. I½I always thought Aunt Hazel made the best coffee I have ever (and probably will ever) have. I½I know I can't duplicate it after almost 35 years of trying. I½I will always remember stopping to see her when working with my dad in the mornings. I½I will always remember her joy at being a good hostess, and her spotless home. I½And, her obvious love for her husband, my Uncle Archie. I½I hope they can now spend eternity together, in health and happiness.

Rest well Aunt Hazel. I½You deserve it.

She did make great coffee... I'm stephen.arseneau@comcast.net... Youngest son of her son... Seems like yesterday... I spent the summer on the farm driving around with Uncle Bernie... On the tractor... And playing in the barn across the street 😊

JA

Yes, she did make great coffee, sugar cookies, homemade bread, and rhubarb sauce. I am Jackie, Hazel's granddaughter. I also, as my cousin, Stephen, have many fond memories of spending time there. I miss her and my grandpa Archie. 😊💕 jaquel.ars@gmail.com
