“ *I just want to thank you for all you have done for me and my family that you blessed upon me. The void in me that you filled, the things I was missing in my life. You are the epitome of what a mother is truly about. I know you will be watching over us all to guide us when we need it most.*

“ *May God comfort you all during this time of sorrow. I am so sorry for your loss. Helen was a beautiful person and she was always willing to help a person in need. If God ever blessed earth with an angel it was the day he sent her here. I thank God for sending her into my life and even though I live in Georgia and haven't seen her in a long time I still have very fond memories of her and I always will.*
