“ Helen & Louie were not just landlords, they were good friends to me. I often wondered what happened to Helen after Louie passed?.
Helen and I had a mutual love of cats. If Louie and Helen went away on a trip, I took care of her cat and vice versa. I lived upstairs in the apartment for about 1 year, maybe longer, I can't remember. It was in 1980 or so.
I visited often after I moved out when I got married back then. I used to ride my horse almost daily from Eagle Island Road to Helen and Louie's house and then back again.
They were a wonderful part of my life and I will remember them forever.
Sincerely, and with heartfelt sympathies.
