“ She was the nicest lady. Our family loved having her and her family be our neighbors for a long time. When she moved away I still kept in touch with her as much as I could and sent her a Christmas card every year. I really enjoyed all of our talks on the phone and running into her at the store. Miss those days. My mom loved talking to her in the yard. They would talk forever 😊 . Hilda will be missed. Wish there were more people in the world like her. So kind and had a big heart. Our deepest condolences to her family.
