“ She was a beautiful, fun lady. She was best friends with my aunt Dorothy and she had a lot of good times with my Mom and Dad. You know that they are all having a party up there. She was a great lady. You have my heartfelt sympathy

“ If only I could express my heartfelt love, admiration, and pure joy in knowing one of my favorite human beings on the planet. ¶½She was, is , and will always be----a great love of my life. ¶½When I was a little girl, she never missed a moment of support and encouragement. ¶½When I grew up, she hosted the wedding showers, the baby showers, the Christmas Teas and the birthday surprises, never missing a moment.

But---it was her presence, the way she winked at the world and the way she made every room brighter, bigger, better when she walked in the door I will take with me. ¶½And, it was her profound lifelong friendship with my mother Dorothy Weiss, that reflected the luminosity of soulmates---and gave me a glimpse of what a perfect friendship looks like every day. ¶½I am grateful---so grateful for having known her...loved her...and will keep her close always--in my very Imogened Heart.##imported-begin##LANA WEISS BROWN##imported-end##
