“ Bev,

 I remember all the times I came to your house after school and your mom would make chili and insist that I stay.
i¿½She was always very nice to me and made me feel at home.
i¿½She always remembered me much later when I saw her out shopping.

Bless her and your families.##imported-begin##Marilyn (LaGessee)Savoie##imported-end##

“ Deb:

I remember all the good times we had at your home. i½Your Mom always told us what she thought whether we wanted to hear it or not. i½Yet she also always made our times there fun. i½

She would always say HI years later when I met her in a store. i½

My thoughts are with you at this time of your loss.

Keep in touch if you can.
