“ *Irene McCully was my mother Mary's sister. It saddens me to discover she has passed just as I was searching for the family with whom I've lost touch over the years. To my cousins, Michael and Kimberly, and my uncle Robert, my sympathies to you in this time of grief. I'm on Facebook if anyone wants to connect.*

“ *Hello. This is Maureen from FUSE Salon here in Manteno. Irene ('Rene' as she referred herself to) had been to me quite a few times to get her hair done and was here just a little over a week and a half ago. She was probably one of the sweetest, most bubbly people I have ever had the pleasure of knowing and being around. Rene loved to come here and we all loved having her here. She never talked much about herself, but mostly about those that she truly cared about. She always had a smile on her face and made everyone around her smile as well. She touched everyone here and the salon and she will forever be missed. She spoke very highly of her family and loved here children and grandchildren very much. Deepest condolences from myself and the salon in the loss of such a beautiful woman. God Bless.*

“ I am very saddened to hear the news of your passing Rene. You were one of the brightest lights in the neighborhood. I will always remember the story you loved to tell people about me on my Green Machine. My son has one now. It will always remind me of the first time you met me. I miss the early days of Clearview Estates and now I will have to miss you too. God bless you and your family. Kim, Michael, and Bob my sincerist condolences. I am sorry I cannot attend the services but know that I am there in spirit. Good bye Rene. Godspeed.
