“ Kim and I are sorry for the loss. We were saddened to hear of Aunt Irene’s diagnosis and have been thinking of her and her family for the past few months. It has been a while since I have seen Irene and time goes by quickly. I remember a number of things from past years starting with the get-togethers at the house near Greenfield Park. Those were my earliest memories of Irene and visiting my cousins who had some cool 1970’s rock albums that we listened to. Looking for creatures in the front yard drainage ditch was another goofy thing I recall. Irene was my godmother, and her birthday calls were appreciated not to mention some of the gifts. In the 1980’s she knew I was a big collector of baseball pennants and sent me a unique Detroit Tiger Stadium pennant that I still have today. That was cool Aunt move. She will be remembered in the 2000’s for hosting the extended family outings in Sheboygan Falls. Those were great and meant a lot to me. Irene will be missed. We wish peace and comfort to all of you on this day and in the future.

“ Irene was my one and only older sister. She was always there for me. Losing her has made me feel like I lost a big part of my life. She was always there for me with advice. When things went bad I could go to her for help. I will miss her terribly. She was honest and trustworthy imparting advice and help through all my years.

*Her loving sister,
Jennifer*
