“ So sorry to hear of Irene's passing. Remembering her and her husband when they ran the little store across the street from Bradley Grade. She also was an Aunt to a friend of mine.

“ Deeply saddened to hear of her passing 😞, I so enjoyed being with Irene every week when I did her hair, we always had the best conversations & of course tea and cookies 😊 I wish I would have made time to visit her , but like with all things , one waits until it's to late 😞 I know she will be deeply missed. So sorry this great loss. 😞

“ So sorry for your loss. You are in my thoughts and prayers. Irene was a nice woman and her and your dad and my mom and dad are probably up in heaven together buying more apartment buildings. My sympathy goes out to the entire family at your time of grief .Sincerely Mike Larson

“ I never had the honor to meet her, but I often hear of how she loved her children and family. She is now in the arms of God and her loving husband again. My her family always cherish the time with her and mourn their loss. She may have left this earth, but she will never leave your hearts and memories.

“ She was such a sweet lady and gave me a long time friend in Becky. Know she is having a joyful reunion with her husband and family and meeting her grandson. She is also enjoying all the pie she wants. Hugs n prayers for her family and she will be sorely missed.

“ My favorite memory is hating pumpkin pie and politely trying a slice of hers. After that it made me like pumpkin pie, but I didn't realize at the time hers was the best. I love you and will keep you in my heart.
