“ I don't believe we know each other but I wanted to express my deepest sympathies to you and your family. I too lost a baby this past April. I wanted to inform you about an infant/pregnancy loss support group held the third Thursday of each month. It's located inside Northfield Square Mall across from Ruby Tuesdays inside the Provena Office. Each one of us deals with grief different and it's probably not for everyone but there are people who share your sorrow and who know how you feel. I wish you peace.##imported-begin##Lisa Sunn##imported-end##

“ Dear Beth and Extended Family -

I just now heard of your loss. i½I am so sorry. i½I know you are suffering. i½Hold on to the one thought we hold on to to get through each day, and that is: i½Our loss is heaven's gain, and we WILL meet our daughters again someday - For ETERNITY. i½It may feel as if we will be separated a long time while we serve our time on earth, but it's just a miniscule of time frame compared to eternity in heaven.

With love & sympathy,
