“ *Mrs Mullen was like the guardian of court E5 in park forest. She was a protector of people and property. A wonderful lady who raised some outstanding children who I looked up to and admired. Hearing of her passing gave me great sadness as she was like another mother. I love the Mullen family you were instrumental in a great childhood I had*

“ *Grandma Belle was not my grandma, but always treated me with love and respect as my own grandma would. She was extremely funny, warm hearted, and baked the best pies, cookies and desserts you could imagine. She will be missed dearly and loved forever. Rest in Heaven Grandma Belle.*
