“ Coty Ray Brown and Family

Coty it is with a heavy heart I read your child's obituary. ĩ½It seems like yesterday when I asked you what is your name and you responded I'm Coty Ray Brown..... Now you are married, serving your country and started a family of your own. ĩ½A death of a child is unbearable and this is something only faith in god will heal such excruciating pain. ĩ½I know it is something that is hard to hear but, you are young and your life has just started to blossom. ĩ½Take care of yourself and your family, may someday you find peace.

With lots of love
