“ My heartfelt sympathy to the beautiful family of this wonderful man. From the moment he welcomed our daughter to her high school post on the trustee board of Bourbonnais Township---to the his committment to the Toy Drive and the community it brought together, his leadership was pure grace and his family-- his sparkle. Heaven just got a new rock star.

“ Lisa & Family,

Please accept my sympathy regarding Jack's passing. I had the privilege of working alongside Jack when he was part of the Village of Bradley's Water & Sewer Department and I was part of the engineering staff at Meece Engineering. That was over 35 years ago! I'll miss seeing Jack in the yard when passing by.

Warm regards,

“ I only knew him as "Uncle Bro"--cause his sister, My Mother Sharon could not say "brother" when she was little--and the name just stuck and carried onto her children. It was not till years later did we know he had another name!--a real one too!
