“ *My fondest memory of Jacob was how he was always coming to my house, calling me momma, and giving me hugs...He seen sometimes that I was in a bad mood, he would ask me: "who do I have to beat up?" or "who made u mad this time?" He would often come in the kitchen telling me.."hey momma I need a hug" (mind u, he was filthy from work), I would simply say: "there's the sink, clean up first, then I will hug u" the whole time smiling at him. Always knew when he was coming when he was driving his big green car, it made so much noise, couldnt help but know he was coming. And when I had my Halloween Parties, Christmas Parties, or any party for that matter, Jacob and my son Travis would do the "Party Boy" dance to everyone..Jacob had his own way of making everyone he come in contact with happy, and smile, regardless of what made people upset, sad or angry...He knew how to light up a room...He always kept everyone happy. I loved this young man as my own son..R.I.P Angel Jacob, and know u will be kept alive with all the wonderful memories we all have of u...I love u, and Miss u so much, my life will not ever be the same without you!! God, please nurture and protect Jacob as he is with u in ur love and care...We miss him terribly :(*
