“ I would like to say how sorry I am to hear about Jackie, she was a very good friend, we had bought our first house from her 10 yrs ago, and have stayed friends since then and sold and bought more from her, I had last seen her back in Dec. at a open house where I would go and sit with her to help her pass time and she was telling me about her going to the hosp in champ. and had asked me questions about my moms passing, since she was a good friend to my mom also. we had moved to FL. and told Jackie to come visit us anytime down there. and to her surprise we had moved back to bourbonnais. we enjoyed coffe and lunch at both her house and mine, and how she always talked about Julie and Joey, and all her family, I will miss a good friend. i¿½And will hold her and her family in our prayers, i¿½God Bless,
