“ My deepest sympathy to the family and to Mr. and Mrs. Martin regarding Jackie. When I saw the news I was sadden. I use to walk with Jackie to St. Joe's while we were in grade school together along with Lorraine Guisti. We were the 3 musketeers. We always laughed and had a great time. I truly will miss her and wish our paths could have met each time I returned to Bradley to visit my family. She was a great friend and person.

“ What a loss of a beautiful woman!! I cannot comprehend this but will try to hold on to so many wonderful memories of her. We are very close in age and one of my favorite times growing up was hanging out with Jackie at Meadowview Shopping Center and going to Little Corporal restaurant for hot chocolate afterwards. We would spend the night together at our grandmother's house. After one of those nights, we climbed into grandma's car and proceeded down Broadway in he wrong lane. We were laughing in the backseat while trying to let her know that she needed to change lanes! She was not just my cousin but my friend! Jackie, you will be missed! Love you!!
