“ I can't believe I'll never hear "What up Hannah?!" from you ever again. Even though we barely talked this year, I will really miss your smile and any casual conversation we now don't have the opportunity to have. Only the good die young, but I think you were taken from us a little too early. Rest in peace, Jaime. I hope wherever you are is better than the place you left.##imported-begin##Hannah Streicher##imported-end##

“ Jaime was such a wonderful young woman. I had the pleasure of seeing her daily in my seventh period study hall last year, and she was all smiles. She truly was a joy to be around. She always took time to help her fellow classmates in their studies, and she always tried to get them to laugh. I will always keep Jaime in my prayers, and will never forget her. It will be difficult to go through this next year without seeing her smile or having her visit me in the library. I am so sorry for the loss of Jamie, to you her family, and on behalf of the Bishop McNamara family. She is, and will be, deeply missed. ##imported-begin##Catherine Yanikoski##imported-end##

“ Jaime lit up my dreadful days. She had the most beautiful smile and joyous laugh. I enjoyed working with Jaime everyday, because she worked hard, had a positive attitude, and shared her sense of humor and funny stories and personality to make the day go by faster. I recently moved back to Peoria after living in Bourbonnais. I feel truly blessed to have Jaime as a part of my life experience in Bourbonnais. She will be truly missed, and her memory will forever live on. Love you, Jaime. God Bless and may you rest in peace.

“ A person can only make a first impression once, and I vividly remember meeting Jaime for the first time while walking in the mall a handful of months ago. We only exchanged a few words but what I remember most was her warm smile and cheerful attitude. Unfortunately, I only had the opportunity to speak with Jaime a handful of times, but everytime I did it was a delight to see her in such a good mood and doing so made me that much happier. I apologize for not being able to attend the services, but I do want you to know my thoughts and prayers are with Jaime and her family.##imported-begin##Keith Diedrich##imported-end##
