“ I remember Jaimey and I were so tight
throughout elementary and junior high school.
We would practice gymnastics on recess. I
would ride my bike to her house. She always
was smiling and we always had so much fun.
We would have to sneak to hang around each other sometimes, as
he parents were very strict! But once they got to know me, they
liked us being friends. Even recently Jaimey remained supportive of
me for my overcoming my past addiction. She would send me
messages telling me how proud of me she was and encouraging
me. I will miss her dearly. I know she is in heaven celebrating with
my sister. I love you Jaimey.
