“ My deepest sympathy goes out to you and your family. I didnt know Jakob, but I do know the loss you are feeling at this time. I pray in time you will be able to find peace, but for now remember what a blessing he is to you and always will be. Just because we dont see them, dont mean they are not with us. I also lost my son to a horrible accident in April. Take one hour at a time. If there is anything I can do for you, please look me up. God bless you and yours.....

“ Jakob, you went hard for me and mine during life and Ima go hard for you and yours in your death. You left us all way too soon and things will never be the same without you. Just know that we will stick together and take care of each other just like you'd want us to do. I'll always miss your crazy self. Rest in Peace my friend.
