“ James "JT" Bond was my father. My heart is saddened at the fact that I never got to see him in over 25 years. I can remember sitting on the porch waiting for him to pick me up for the weekend or weeks during the summer time. I so miss and love my daddy. I never got to read you the poem I wrote for you. I wish you could see all of your grandchildren and great grandchildren. My eyes are filled with tears cause I feel like you missed out on so much of our lives and our kids lives. I forgive you pops may you rest in peace with Grandma Pearl, Ms. Dora, and Uncle Sam. October is right around the corner and it seems like ebb more years will flow. Thank you all for taking care of my pops!!!

“ My name is Kenya Perkins...I am 36 years old and James Bond who was known as J.T. Is my father....I have 4 children who hw never had a chance to see....I remember spending every summer and weekend as a child with my dad and my grand mother Pearle Powell who passed away years ago and I even done her hair at the funeral home for her home going....I have many many brothers and sisters from my dad...because of his lifestyle he left the area and continued his life and I have not seen him since I was 15 years old....but I will never hold a grudge for his decisions of leaving and living his life...I am heart broken severely of finding out that my father has passed away and was cremated...I tried for years to find him...I want to thank the funeral home and nursing home for the care of my father....God bless you
