“ We have known Jimmy for more than 40 years. Jimmy raced with the Oconnor team for many years. The stories we have are many ... all fun and good. I would often wonder how anyone could be so happy all the time, but he made everyone around him happy. He never knew a stranger. We will miss him deeply, but whenever we feel sad we will remember the fun times, and with Jimmy they were fun times.

God Bless... Rest in Peace

“ Where do I start? I met Jim when I started East Junior High school. Jim and his family lived right across from Kankakee High school. We soon became fast friends. His parents Jim and May welcomed me into their home. As I lived five miles out of town I stayed with them often. You could say they were my second family. Jim and I did a lot of things together including drinking a lot of beer and getting sick together. He was my best man when I got married and I was his when he married Ordene Blanchett. The four of us did everything together and then Tim Bob and Tammy came along. My daughters and their kids all played together. Jim would do anything for any one. The thing I regret the most is when we moved to Seattle and we didn't keep in touch that much but I stilled loved the guy like a brother. Rest In Peace my brother.
