“ *Jimmy and I were friends as young kids in West Kankakee and I will always remember him fondly. Later in life we lived near Clifton and I would bring my sons to Kankakee for trick-or-treating (only treats then). We would go around to the same houses/families that I had went to as a kid and Giroux's was one stop we always made. Jimmy was such a happy kid and he spread that happiness to everyone around him!* *Richard Miller*

“ As my memory fades during age, I still remember out of much trauma and ill times throughout my youth, some of the pleasant parts of it. It has been many, many years since I have seen Jimmy but he has always been in my memories. With the World and all it has come to and all that it is to become, I know in my heart that this fine example of a human being has reached a much better place. I pray that his soul rest in peace and also want to express my deepest sympathy and condolences to the surviving members of his family during their time of sorrow. His presence will continue to linger within my soul until my time comes to advance to the grace that James has found.##imported-begin##Lyndon Jay Just##imported-end##

“ I remember when I use to visit, he would always say "Oh, your so beautiful". ĩ½Then he would sit and put his arm around me and make conversation. ĩ½Tell me he wanted us to stay and didn't want us to go. ĩ½My Mother Laura Hanner stayed with Aunt Grace (Jimmy's Grandma) when Annabelle passed away. ĩ½Jimmy use to call Laura, Lowl. ĩ½They use to have small discussions of what they could watch on TV. ĩ½Jimmy usually always won! ĩ½Very funny.##imported-begin##Loretta Aliotta##imported-end##
