Our prayers are with Jim, his family, and you, We are so sad that we will not be able to attend the services since we are in California with our daughter for a few weeks. We are so sorry for your loss. He was a great friend and co-worker. God's blessing to you, all your family, and friends.

Its always a pleasure working with someone who knows what he's doing. Jim was one such person. He had a good work ethic and was always available to lend a hand. My condolences to his family.
