“ We're remembering all those Hot Rod and Street Machine Nationals events and the local car shows we used to attend with Jim, Rose Ann and the kids in their Chevy Nomad back in the '80s. And the Roamin' Chariot's car club we all belonged to as well. Oh, and how about Cruzin' the Square in downtown Kankakee? Those were the days my wife and I will never forget! Good people are a joy to be with. Jim, Rose Ann and family were a perfect example of that by providing us with some great memories of fun times that will never be forgotten.

*Just know that you are all in our prayers and that Jim is now safe in the care of his Heavenly Father. We all thank God for giving us the chance to associate with such a fine gentleman...*

“ I have good memories of Jim. We served the City of Kankakee together for several years.  
Jim seemed to always have a smile. I pray for comfort and peace for the family.  
My best memory of Jim was on midnight shift and the snow was heavy. Jim called in a car chase. We kept trying to get Jim to give out additional information on the vehicle..Finally Jim said "I do not have any info I am following there tire tracks in the snow" That gave us all a good laugh. RIP JIM

“ Prayers and peace. Always remember the good times we've shared, from trains, to cars, and just hanging out at Food Expos while Jim pulled mid-night security details. Will never forget.
