“ Rest Peacefully my sweet cousin Jamie Pepin ! There were so many fun times! Remembering when you lived with us, went to Michigan saw that heart shaped rock outside the bunk room window.... got it wrote our names on it and I kept it!!! How about the time Steve Pepin Gila Monster scared the **** out of me in the bathroom....or when you were going to be a fighter pilot just like Top Gun! You introduced me to Metallica, Aerosmith, Korn, and so many others! Life as a kid was amazing for so many different reasons but you always being there made it exciting and boy I can say there are plenty of great memories!
My you fly high and soar above watching over us all but especially your mom, brother. Three not so littles anymore and your two beautiful granddaughters!
Xoxoxo forever 🙏🕊️💛💛💛🕊️🙏
