“ I am so sorry to hear about Jan - she was a part of our family when she was married to Steve and I loved her like a sister. She always made me laugh, I loved coming to your home and I loved how she made my mother laugh! so many fun memories of her and I LOVED her fashion sense - I always looked forward to her latest outfit. Tami and Teri - my heart goes out to you - your mother was a wonderful, loving woman and we were all blessed to have her in our lives. -

“ Jan was such a HUGE part of my mom's life as my mom went to her for decades to get her hair done. Jan was so good to me in the weeks leading up to my mother's death by checking in with me to see how we both were. She could just be a ball of fun!
RIP Jan!

There was never a dull moment with Jan around. We worked together many years before I moved away. She even visited me in Florida. We were Miles apart, but remained friends in heart. I know you will have fun above! RIP my friend... will surely see you again one day.
