“*Jan was a wonderful human being. And her love for animals was remarkable. She was a good friend and we had many wonderful conversations. I enjoyed stopping by and chatting with Jan when she worked the front desk at the Kankakee City Police Dept., as the desk officer. My thoughts & prayers go out to Chester and Jan's family. Rest in Peace Jan.*

“ *Jan was my cousin. Our dads were brothers. She was like a sister to me. Although, we were miles apart we kept in touch and would pick up where we left off. I will always cherish Jan's visits to Houston and mine to Kankakee. Jan loved and was very proud of her hometown. I am forever grateful for Chester, who loved Jan dearly and was always there for her.*
Love and miss you Jan,

Celebrating the life of a wonderful woman and mourning her passing with comfort and peace during this difficult time. We will always remember her intelligence, desire to educate and humor. Jan was an amazing woman, a made woman in a field of one.

“ I remember Jan from when she worked with me at a Barnes & Noble years ago when I lived in Illinois. Never had anything bad to say about anyone or anything, as I recall. You couldn't walk all over her, either. She had that perfect combination of strength & positivity. She will be missed.

“ I am so distressed to learn of Jan's death. She told me she would not attend the reunion on Oct. 9th due to a compromised immune system but we stayed in touch and she provided good information regarding park amenities. Since the reunion we have emailed each other and she promised a longer email in the near future but said things were really hectic right then. I've known Jan since grade school and one thing I learned early on.....I always wanted to be on Jan's kickball team! My condolences to Jan's family. Holly Schneider Gott

“ I am so heartbroken that Jan has left all of those who loved her. She once told me that she wanted to be a teacher as she was in several of my home economics classes back in the late sixties. Jan was one of those who just made a teacher glad they were there and she always had that smile and such a nice attitude each and every day. I don't deny that she was one of my favorites and so we had this great teacher student relationship always. I never knew what had become of Jan but now it's both heartbreaking and gratifying to know that she taught for so many years and I can guarantee she was a good teacher, caring in every way. Just one of those you just never want to forget and I surely will remember her too. My condolences to her partner and family..
